Hi All,

Apologies, I think there was a formatting issue with the previous BN. You can use this version to input edits/comments.

Thanks,

Hi All,

As a follow up to the noon Fair Hydro report teleconference, could you please share your respective ADM approved edits in track changes by 10am tomorrow (with a copy to Selena and Daniel)? OB/Selena and Daniel are coordinating MOF/TBS input for the draft report.

In terms of next steps, it sounds like there will be a Joint Deputies meeting with MOF, TBS and ENE at the end of day tomorrow.

Please let me know if you have any questions.

Thanks,
Ryan

As a follow to the FAO's request for comments on their draft Fairy Hydro report, we'd like to set up a call to review collective edits.

Can you confirm if your ADMs are free at 2pm today for a 30 minute call? Once you confirm, I'll send out an invite.

Karen, Cindy, Maria

The FAO has provided a copy of their draft report on the Fair Hydro Plan to MOF and MENE for fact checking and review.

I've reached out to Jeff and obtained their permission to share the report and opportunity to comment with you three (they originally confined it to MOF/ENE). Think its important for you to review from an accounting perspective and from an expense (tax base) point of view.

Please note the restrictions on distribution. Also, please provide your comments no later than Tuesday morning so we can incorporate them into the response.

Thanks
Tim

Please find attached the FAO's draft of their report on the Province's Fair Hydro Plan. I have also attached their cover letter which includes instructions around how to provide feedback on the report.

The deadline to provide feedback to the FAO is next Tuesday, May 16th, end of day.

Please note in the email below and the attached cover letter that distribution of this document is restricted to the public service within the Ministry of Finance and the Ministry of Energy. Steen is coordinating feedback on the Energy side.

Given this provision of this report was addressed to me, I recommend that you provide your feedback and comments back to my division by noon, Tuesday, May 16th, at which time I will arrange a call with Steen and his division to go over our collective feedback. My Division can coordinate the Ministry's collective feedback.

Please let me know if others within the Ministry need to be involved.

Nancy/Scott/Ron/Gadi – I'm also wondering if we should run this by TBS (OPCD) on the accounting issues – but we would need to get the FAO's permission before doing that. Please let me know and we'll work to get that permission.

If your staff have questions on process or approach, please have them contact Selena or Daniel in my Division.

Thanks in advance;
