Hi,

I consolidated into the version from yesterday, and took out "proposed" in various places, and most of the "would" instances wrt the FHP.

We can get further feedback from the group tomorrow.

Thanks All!

Ron

Thanks Cindy. I took a quick look and made a few edits and responses.

I noted too that the suggested edits and comments were made to Friday's version, so we'll try and match them up to yesterday's version.

Ron – please see attached. I also asked Nadine to review, so there are a couple of comments/suggested edits from her as well.

Thanks,

Cindy
