Hi Len/Paul.

I'm not sure if you've been involved in this matter, but OPCD has been asked to weigh in on a matter which is not related to the accounting for OPEUPP, but rather related to accessibility to plan assets. The attached email provides some context related to the matter, and the word document is a draft letter. Note that they are planning to finalize the letter by end of day. Given the significance and sensitivity of the subject matter, I felt it would be prudent to involve LSB in this matter.
Thanks in advance for your input.

Hi Nadine,

Please see attached for a draft response for review. I just sent to ERD for concurrent review in the interest of time as MO wants a final version by end of day.

Please let us know if any questions or concerns.

Thanks
