My comments on the deck – we need to edit the language on one of the IESO slides (I've asked Kim Marshall/Michel Picard to provide) and I think it would make sense to have a slide for OFA/Financing considerations, given the cabinet minute speaks to accounting, legal and financing risks. I haven't had any discussions with OFA on this suggestion.

Subject: Energy note/minute

Hi,

Please find attached an updated Cabinet briefing note and minute for the energy item. The only change to the minute from the version sent on Wednesday is the addition of #8, which is just draft/placeholder for now.

Thanks,
Martha
