Cindy,
Please see my comments and suggested edits attached. There are a number of areas that should likely be addressed. Not sure how to best pass these along. Perhaps share a copy with Scott Nelms?
Also, will you be planning to attend tomorrow am's meeting? I know that you said you will be away all day tomorrow at an SMT meeting. There are a couple of comments inserted on the minute doc that I would appreciate your feedback/comment on w.r.t. anticipated fiscal impact on the non-GA related items. I can be reached on my cell if you're available to talk.

Thanks.
Nadine

Hi,

Please find attached an updated Cabinet briefing note and minute for the energy item. The only change to the minute from the version sent on Wednesday is the addition of #8, which is just draft/placeholder for now.

Thanks,
Martha
