Cindy,

Another person I also suggested to Scott is Professor Darlene Himick. She teaches accounting at the Telfer School of Management at the University of Ottawa and has an interest in public sector pension accounting.

Hi Mr. Gold,

Scott Thompson passed along the message that you would be interested in assisting with the expert panel the Province is setting up to review the accounting for pension assets. We are now in the process of identifying candidates for the panel.

We have drafted the terms of reference for the panel, which I've attached.

Would you please review these, let me know whether you have any questions and confirm back that you continue to be interested. We can then set up a time for a conversation (assuming you are still interested!)

Regards,

Cindy Veinot
