My surface is not working. Can you bring my other laptop down and I will swap it with you and finish the HBN review.

Sent from my BlackBerry 10 smartphone on the Rogers network.

Hi Cindy

Depending on how TB goes, can you please see if you can get your edits on this note to me by 4pm?

They want to provide to MO overnight so the minister is prepared for question period tomorrow.

Thanks
Sarah

Hi Cindy

MO asked us to update the FHP HBN (there's a SCOPA writing session tomorrow so they want to be prepared). Mostly we've just updated tenses and minor developments.

Let me know if any concerns. Looking to send in early afternoon today.

Thanks,
Sarah

Several edits ... mostly related to updated developments / change of tense (from 'will be' to 'is", etc.)
