Hi – Should this also be sent to Carolyn Calwell at Energy Legal?

Subject: For Review and Comment: TB/MBC Submission on Provincial Guarantee

Hi Cindy, Steen, Kelly (for Scott), and Malle,

Attached, for your review and comment, is a draft TB submission for the Provincial Guarantee.

This submission is somewhat premature, as there continue to be discussions about which Ministry might bring this forward (for instance, the Provincial Guarantee piece could be incorporated into a broader report back by the Ministry of Energy) and when this might go to TB/MBC (mid to late September); however, Gadi is on vacation for two weeks starting Monday, so we wanted to get a head start on something that could be moved forward in his absence.

I apologize for the tight timelines, but **we are hoping to have your comments (even preliminary comments) by noon tomorrow**. I expect that subsequent iterations of this submission and/or the TB Assessment Note will be circulated again for your input.

Please don't hesitate to contact me should you have any questions.

Anna
