Kim and I exchanged messages and thought it would be beneficial for the accountants and their advisors to meet in advance of meeting with the lawyers to have a discussion and agree on issues.

For a starting point, I'll suggest Thursday from 10:30 to 12:30.

We can then be ready with a consolidated list of issues by Friday.

Please let Shannon Jack, copied on this message know if that timing works, or if not provide availability on Thursday.

Subject: GA deferral

Hi Ken and Kim,

I had a discussion with Carolyn about finding time for the accountants and their advisors to have a discussion on the legislation as I think it will be important to have any issues that could impact the formal accounting opinions flagged asap.

Look for a meeting request for this Friday. Please let your advisors know.

Thanks,

Cindy
