Bruno/Ken,

Please see my comments on the draft briefing note. Please note that Cindy is out of the office at PSAB Task Force meetings for the remainder of the week and has not had a chance to review my comments. I have copied her on my response. Further comments/edits may follow.

Subject: FW: Indemnity Draft Briefing Note

Hi

Attached for your information is a draft briefing note on Ministry of Energy's s. 28 (FAA) request for approval of indemnities for OPG and IESO. A number of clarifications have been requested from OPG/IESO mainly related to the scope of the indemnity request.

This draft note is also intended to facilitate coordination as necessary in various ongoing discussions such as IESO/OPG indemnities, provincial guarantees, PILs exemption. I'm not sure if the indemnity may also have implications for accounting treatment.

Comments welcome.

Bruno
