Hi Cindy

Karen will be attending the MMP Prep meeting as well. Patrick is confirming whether Karen wants us to reschedule so she can attend, but in the interest of keeping things moving, if you are comfortable with Nadine leading the OTPP call, that will likely be the outcome. I'll confirm as soon as I hear back from Patrick though.

The meeting is to review the proposed fiscal outlook for FES and consider options for addressing fiscal pressures. Your attendance was requested due to the pension slide (slide 5) of the deck attached. For the MMP meeting itself on Monday, they would like you to be in the anteroom in case there are questions.

Hi Sarah – a couple of questions on this meeting:

- n It conflicts with an OTPP meeting that was scheduled based on discussions with Karen – can you check with Patrick to see if she is planning to attend this meeting or the OTPP one and if this one, if she wants the other rescheduled
- n Can you confirm the purpose of this meeting – assuming it's a FES discussion

Thanks,
