Further to below, to help with consistency PEMD has sent over their speaking notes for us to feed into – I've added our pension points (highlighted).

Hi Cindy and Nadine,

We've been asked to put together speaking notes for Minister Sandals for the pension slide (#5) for the MMP meeting by EOD.

As Pauline is out of office today, I've started a draft to which you can make edits, additions, deletions, etc. Also attached the deck for your reference.

Please let me know of your edits by EOD.

Happy to discuss.

Thanks  
Sarah
