Importance: High

As discussed, looking for one-page per SUD to explain issues/perspectives per structure in the slide deck (slide 10). We need to flip to CV for review today. Happy to discuss further when you've got a first cut complete.
Thanks.

This is last year's deck – we are at a different point in the process this year – last year there were still outstanding issues to resolve.

I expect the MO is looking for something at the level of detail of page 10 in the deck
