Hi Cindy,

Just wanted to check in with you to see if you have received any information (either from Karen, Energy or OPG) re: the updated OPG numbers. I had to leave for a dentists appointment yesterday and have not received any updated materials related to this, so wanted to double check where things may be at.

Thank you,
Didem

Thanks, Cindy! Karen is stuck at Cabinet but will give you a call if she's back before 4.

Hi there –

I am not familiar with the details, but I gather from Karen that there is an updated OPG number that has come in which complicates matters significantly for the fiscal plan/rate mitigation implementation.

She would like to have a word with either/both of you to hear what you might know about it. Are either of you available for a chat between 330 and 4pm? Karen's at Cabinet but I'm hoping she's back by 345, would set up a brief meeting at that time.

Thanks!

P.
