Thanks – did you mean to flip the order of the slides and put the comms material in the middle?

Cindy,
The deck has been revised (see attached).
We'll follow up with OEP on the tax question.

Two questions/comments:

- n Has OEP provided the OAG with their position re: CIT – e.g. have the numbers in this slide been provided to the AG, and if not, what is the plan to do that re: CIT
- n The slides from Coms need a header – its not clear to me what their initial slide is about, so a header on those slides would help.

Thanks,

Cindy

Hi Cindy

Attached is a draft of the PASC deck for tomorrow (use the budget pw). Communications provided the last few slides on the comms strategy.

Please let us know if any questions or concerns.

Thanks
Sarah

Sarah,
This version can be shared with Cindy. I've removed the impact of the Affordability Fund from the range impact.
