Cindy/James,

Attached are my comments/suggested edits to the TB note (for your consideration). Please note that I have flagged a couple of sections in particular for Cindy's attention.

Subject: Part 2 OFHP Regs - Draft Sub and RAN

Hi,

Attached is Energy's Draft Submission received (please keep confidential as not approved by Energy).

The second file is a draft assessment note for review and comment. After consolidating feedback from central agencies, I'm intending to share with Energy later on Monday. The item is at Treasury Board Tuesday in the early afternoon.
