Just an update – I've asked Kyle to confirm that the amounts are settled – awaiting confirmation

I haven't spoken to any of the re: remuneration as I was waiting for approval by the MO. We can do that tomorrow if we're sure we aren't reducing the numbers. If the amounts are still in question, we could provide a range.

Sarah – can you see if you can get confirmation on whether the amounts are in question.

Thanks,

Hi Nelson,

Do we have the answers to Kyle's questions highlighted below?

Thanks
Sarah

Thx everyone.

A few follow-ups:

1. Are the panel members ok w the remuneration (just checking to see if we've spoken to them about it)?
2. When do we think we'll have the PAS seal of approval? When briefing on this last week, it was mentioned this could happen in a day or two after having received all the materials.

K.
