Subject: Q3 Deck and Placemat used in this morning's DM briefing

Please find attached a deck plus a placemat we've pulled together to support the next steps and discussions around Q3. Just walked Scott through it, and while he has some edits and suggestions which we'll ripple through, he's comfortable with this approach.

Looking for any edits or comments you may have by 330 pm today, as we have a briefing with Minister Sousa on Monday which we'll need to provide materials on for EOD today. This would then track into FPC on Wednesday as well.

MDS/Karen - if you have more insight into the expense pressures we'd highlight in there specifically, that would be helpful.

If anyone else also has thoughts, happy to take them by 330pm.
