Cindy,
FMP is related to OTPP, whereas FP is related to OPSEUPP. I don't think there is a need to follow up with Martin? n

Len/Paul,
Please see the attached document as well which was intended to be attached to the initial 'read first' email. Talk to you tomorrow at 9 am. Looks like we might have a chance to connect with Martin from Deloitte's tomorrow as well.

Len/Paul,
Attached are the first docs that you may wish to read, as well as a copy of the email that includes references for each of the plans (OTPP and OPSEUPP).
For purposes of the legal opinion, just a reminder that the focus is on the OTPP which represents the majority of the asset amount reported by the Province.
I will be additional emails with reference documents.
