---

Cindy,  
This is what I have on file. Unfortunately, I can't recall the password on the sealed version, but I seem to have saved them at the same time, so I assume that they are identical. Len can confirm tomorrow. Hope this is what you were looking for. I'm online in case you have any Q's.

Thanks Nadine

Could you flip me a copy of the final regulation that was filed.

Cindy

Len,  
In advance of our discussion tomorrow at 10:30, please find attached some background info with specific questions highlighted for your consideration.  
Thanks in advance for your advice and support.  
Nadine
