Hi Cindy,

I am working on replacing your yellows with the new right now.

Attached is the scanned document you asked for.

Thanks,
Shannon

Hi Shannon – can you print last night's yellows when you get in – I'll need them for a 9 am meeting.

If you can, please scan the pages in chapter 1 on Ontario's Fair Energy Plan to me – right now that section starts on page 40 in Chapter 1 – the yellows are open to that page on my table.

Thanks,

Cindy
