Our best info on the Feds, who apparently do not have joint-sponsored pension plans.

Hi Nadine/Mercedes,

Based the Fed's 2014-15 Consolidated Financial Statements. The Feds do not have any joint-sponsored pension plans.

Subject: Fed treatment of pension assets

Cindy, Nadine

Just received a question from our Minister about how the feds treat their co sponsored pension assets. Do you know? Do they treat it the same way we have to date (other than 15-16)?

I know you did a jurisdictional scan, but want to be able to give the minister some facts on this.
