I want to echo Nadine's comments and add that I am grateful and proud of the work that you all did over the last few months, and the last few weeks in particular. Your dedication and professionalism was key to delivering the Public Accounts.

Hope everyone has a restful Thanksgiving long weekend!

Subject: Thank You

Good morning All.

With the release of the Public Accounts yesterday, I wanted to say thanks again for your individual and team contributions to the production and release of the 2015-16 Public Accounts. I am so proud and grateful for the way that our team stepped up to the challenge, and worked so seamlessly and professionally with our various stakeholders in pursuit of the finish line. Your input to an enhanced FSD&A and related products, tackling of numerous audit-related challenges, efforts to compile FSD&A support and briefing materials, tenacity in managing multiple versions of the FSD&A/CFS, assessment of different pension accounting interpretations, timely feedback on communications products and ready response to changing production requests right up until the finish line was nothing short of AWESOME! To say that this has been a unique and challenging experience would be an understatement! Now that the Public Accounts have been tabled, we can all be proud of the hard work, dedication and incredible collaboration that was displayed both across our ministry, as well as with our colleagues in the Ministry of Finance and the broader OPS.

Thank you again for your contribution to the 2015-16 Public Accounts!

Nadine
