Suzie/Blake/LeeAnne,

Further to our discussion on Friday, we have received the updated draft Legislation for the Fair Hydro Act. It will continue to evolve, but is on a tight timeline, so we would appreciate your feedback on the currently envisioned model and any potential accounting risks from your perspective.

An important regroup of key stakeholders is planned for tomorrow afternoon, so if we can get your comments (concerns mainly) by tomorrow am it would be greatly appreciated.

Please direct your comments to both Cindy and myself.

Thanks.

Nadine
