Hello everyone;

Just wanted to make sure we all had the same documents as we track our way towards Thursday's MMMP – note all attached files use the external Document password:

- Revised MMMP Fiscal Architecture Deck to track into both BPC tomorrow, and ultimately to MMMP on Thursday. This version reflects feedback from BPC itself, along with additional changes coming from both TBS and MOF on the various slides. We've also tried to reduce the number of slides and focus the deck.
- Updated Scaleable Investments Deck which tracking to BPC tomorrow and will also track as part of the MMMP materials.
- Fiscal Placemat – not tracking to BPC or MMMP, but a helpful backpocket piece that summarizes the fiscal architecture in one place.

Please note these files continue to include sensitive tax policy options and as such, should not be circulated widely.
