Cindy,

In addition to the marked up copy of the General Reg provided yesterday, perhaps the following extracts from the FHP Act might be relevant to the moratorium question?

Electricity pricing to reflect costs

IESO to make adjustments

25.33 (1) The IESO shall, through its billing and settlement systems, make adjustments in accordance with the regulations that ensure that, over time, payments by classes of market participants in Ontario that are prescribed by regulation reflect,

b) *amounts paid to entities with whom the IESO has a procurement contract, as determined under the procurement contract; and*
c) *such amounts as may be prescribed that are paid or incurred by the IESO in relation to the* Ontario Fair Hydro Plan Act, 2017 *. 2014, c. 7, Sched. 7, s. 8 (1); 2017, c. 16, Sched. 1, s. 43 (2).*

The deferral relating to the FHP is tracked in a separate variance account in accordance with Section 24(1) of the Fair Hydro Plan Act, 2017 (the FHP Act):

Variance account to be established, maintained

24 (1) The IESO shall establish and maintain a variance account in which it records the following:

2. All payments received by the IESO resulting from the exercise of the right of recovery under section 25 and any transfer under section 26.

3. Such other adjustments as may be prescribed, including adjustments in respect of the period that commences on or after May 1, 2017 and before the day this section comes into force.

Regulatory asset established

25 (1) Effective May 1, 2017, the IESO has the right, exercisable in accordance with this Act and the regulations, to recover the balance recorded in the variance account from specified consumers.

Board to set rates

(2) Subject to subsection (3), the Board shall, from time to time and in accordance with the regulations, determine and set rates payable by specified consumers to allow for the IESO to recover the balance recorded in the variance account.

Limitation

(3) The IESO shall not be entitled to collect all or part of the balance recorded in the variance account from specified consumers before May 1, 2021.
