Hi Jessica,

Please see attached remarks for tomorrow afternoon's Budget echo with Minister Mauro (at Rexall), Budget Qs&As and MPP KMs OLP vs NDP pharma plan. French bullets for his 7 a.m. interview with Radio-Canada are forthcoming. And a quote will be needed for the Rexall Budget echo NR, so I will send one through tomorrow for the Minister's approval once I've seen the NR from Mauro's office.

The updated DI, that Ilia sent earlier, is also attached, so you have it in one email. And Matt has the podium sign.

Hope you get your luggage soon!

James
