about price
per kilowatt
hour
difference
between US
and Ontario

Referring page: [page/ontarios-fair-hydro-plan](https://www.ontario.ca/page/ontarios-fair-hydro-plan)

Message:

Why does the USA pay less per kilowatt hour to import power from Ontario than we pay? You may cut our costs by an average of 25% but that hardly makes up for the 170% increase per kilowatt hour we have seen for those of us being careful to keep to the green hours to use power.
