Provincial rebate on electricity Toronto Hydro bill

Your message:

I see on the hydro bill that we were given an 8% Provincial rebate and it states that the Ont govt is providing a rebate on my electricity costs equal to the provincial portion of HST. If my total electricity charges are \$2682.00 and the HST is \$348.66, why is the rebate only \$124.11 and not \$214.56? How is this rebate calculated?

My feedback concerns:
the ministry
