Please specify the subject of your message:
Fair Hydro Plan - InnPower Customers

Your message:

I understand InnPower customers will be receiving the larger rebate (higher than the 25%). Will this apply to all customers including those in the urban centres- Ancona, Stroud etc. Will it also apply to the new customers in the City of Barrie (the annex lands). These lands formerly in the Town of Innisfil are included in the InnPower service territory and therefore will be serviced by InnPower.

My feedback concerns:
the ministry
