Message:

I live in a condo, electric heating and I'm on equal billing. Our Hydro bill went from \$310.00 ending in August 2017 up to \$332.00 per month starting in September 2017. Now tell me where is this up to 25% off your Hydro bill as of July 1, 2017. After this long cold winter I wonder how big the next hike in our Hydro bill will be!
