Hello Dan and Matt,

We are having the same problem as yesterday getting fact check back from your officials. Thing is it should be much smoother today because we've incorporated everything that resulted from yesterday's FC changes. Can you please review and let me know if this looks ok and encourage your officials to get this stuff back to CO? We may just have to go ahead and final with your blessing because we cannot wait till 5 PM again for the DM and others to get around to this. Also hoping you can provide the minister's quote. Please let me know if getting any of this done for us in the next hour is going to be a problem Thanks
Ian
