Hey Matt – can you give this a quick once over and let me know if you have any feedback by the end of today? I've added a few comments. Feel free to run it through your team, if necessary. I'll ask the ministry to draft up a couple/few Qs for each, just for background.

Thanks!

Subject: FOR MO APPROVAL - Jan 1, 2018 Regs and Legs - DUE to CO eod today

James,

Attached is DMO-approved Regs and Legs coming into effect Jan 1, 2018.

CO would like this back today (Monday, Jan 27) , so if MO approval can be obtained this morning, it would be appreciated.

Thanks.
