Good afternoon policy team,

We just received this PMB that Fedeli will be introducing. It includes their plan to use H1 dividends to pay for an electricity rebate.

I have to prepare a prep note for members for EOD today, and would really appreciate your feedback on the bill, and any supporting material that we may be able to use. If you could send me your feedback by 3:00pm, that would be ideal. If you don't have time, no worries.

Thank you!
