Hi Matt,

The IESO has written to the Minister seeking an exemption of the requirement to display OFHP savings on bills. The IESO only has a few bulk system-connected customers captured under the requirement, and rather than adjust the billing system, the IESO wishes to send them the information via e-mail.

Please find attached, for approval, a draft Minister's letter to the IESO. The original letter from the IESO and an associated briefing note are also attached for context.

Let me know if you have any comments or questions, and if the letter is approved.

Thanks,
Deni
