Dear Caucus and Staff,

Due to the success of the phone conference that followed the **Ontario Fair Hydro Plan** announcement, the Minister's Office will facilitate another conference call with all constituency offices and caucus members.

The purpose of the phone conference will be to provide updates on the rollout of the Fair Hydro Plan, updates on implementation of the plan, to provide ideas for small-business related echo events, and to address any of your questions.

Please join us on **Monday March 27**, from **1:30pm-2:30pm** by calling **(416) 212-8013** or **1(866) 633-1033**, and inserting **access code 840 4054**.

An agenda with more information has been attached to this email.

To ensure a smooth call, please mute your line when you join.

Looking forward to speaking with all of you,
