Hi Sasha, I'd like to talk with Kaili tomorrow about this before speaking to Hydro One. Could you check with Matt whether she is free, preferably early in the day, for either a meeting or phone call?

Thanks,
David

Subject: Affordability Fund/ Home Assistance Program

Hi David:

Earlier today, the IESO sent their Conservation E-Blast to LDCs stating that LDCs are required to sign and return the HAP Cancellation Agreement by December 1, 2017 in order to be eligible for continued engagement in the IESO's Centrally-Managed Low Income Program through either of the delivery [options](#) outlined in the covering letter to the cancellation agreement.

This direction poses many risks to the delivery of the Affordability Fund, as we (as the administrator) have directed LDCs to leverage their existing vendor relationships for the delivery of the Affordability Fund as the eligible measures between both programs are similar. This was done prior to the IESO's decision on HAP. If LDCs need to enter into a new competitive procurement process, it is going to delay Affordability Fund roll out by 4-6 months. I am quite concerned with this direction and would like the opportunity to discuss further with you.

Let me know when you're free tomorrow. Adding James as we were discussing Affordability Fund status and echo announcements yesterday.

Best,
Alex Phillips
