When you have a chance, could you guys get the Minister to take a look at this and see what he thinks.

No rush. It's not final but just want to know if he likes it or has anything else he'd want to add.

Thanks

Subject: LTEP Minister's Message

Hi Andrew,

Attached is a very preliminary draft of what a Minister's message could look like for the LTEP. This document is draft and for discussion purposes only to help land on the theme / tone of the LTEP.

Let us know if you have any questions or comments.
