See attached for some notes I sent to Colin for the minister's trip to NB. Probably the most relevant stuff.

Also probably the chatter from today...I drafted some messaging for members debate notes that tackles that. I'll send to you in a sec

Hey, see attached for the most recent notes. I don't have the northern budget note...but Rachel definitely made one! Maybe James has it? Or Rachel is on her email?

Hey, when you get back from the House can you send me messaging on the following (for North Bay):

- Updated H1 sale
- Disconnections
- OPG staffing change in North Bay
- Northern funding following budget (not sure if you have this)

Thanks!
C.
