Hey chiefs,

Just a quick note that while the briefing is set for Wednesday, we would ideally have a binder complete by Monday. Requesting that policy reviews these at the earliest convenience and give Martin the green light so that we can meet that target.

Hi James, Matt and Landon,

Attached are the ROMA 2018 meeting notes (11 total) for concurrent review. Given that the minister's briefing was moved up to next Wednesday, we need to know if you have any changes by Friday morning to allow time for policy review.

Thanks,
Martin
