Good evening Aly and John!

Hope Day 1 went well today. Realize this invitation is coming last minute but want to be sure you know Minister Zimmer and your office are welcome to join the Energy Table dinner/discussion happening on Wednesday evening (6-8pm at the Chelsea Hotel) following the LIL Environment, Energy & Infrastructure session that afternoon.

Our DMO has extended an invite to Deputy Richardson as well.

Attached is the current agenda. Let us know if your Minister/you are able to join.

Thanks very much,
Meaghan
