Honourable Glenn Thibeault
Minister of Energy
4th Floor, Hearst Block
900 Bay Street
Toronto, ON M7A 2E1

Dear Minister Thibeault

It was a pleasure to have you come to our community on September 16 and meet with many of us at Town Hall as well as with others. We feel it was a very productive day for all of us and we wish to thank you for that. We also thank Rachel and Craig for their interest in our town as well.

We certainly thank you also for what you and your government are doing with initiatives like "Ontario Fair Hydro Plan" to reduce the electricity costs to our residents and businesses. We also appreciate your apparent interest in doing whatever is possible to help keep the Atikokan OPG Plant operating beyond 2024. As you know this is very important to our community as well as for all of Northwestern Ontario and so we hope it continues to operate well into the future.

So, thanks for everything Mr. Minister. Keep up the good work and if we can assist you in anyway simply let us know.

Yours truly

Dennis Brown
Mayor
