Ministry: 1 inquiry

Topic: Fair Hydro Plan

Reporter & Outlet: Siobahn Morris, Newstalk 1010

Response Type: Ministry spokesperson

Questions:

I got a call from a listener who says he was told by his hydro provider that he didn't qualify for the promised roughly 25 per cent reduction on his bill because his bill was already so low/that he didn't use enough energy to qualify.

Is there a minimum standard of use to get the discount? He (and I) were under the impression that it applied to everyone.

Response:

TBD

Minister's Office: 0 inquiries

Agencies: 0 inquiries
