The Hon. Glen Thibeault
Minister of Energy
Hearst Block
4th Floor
900 Bay St,
Toronto, ON M7A 2E1

Dear Minister Thibeault:

Bill 13, An Act in Respect of the Cost of Electricity

The Association of Condominium Managers of Ontario (ACMO) welcomes the introduction of Bill 13, an Act in Respect of the Cost of Electricity. It demonstrates the government's commitment to ensure that electricity customers receive a break on the cost of hydro.

As the association that represents those who manage condominiums in Ontario, we want to ensure that the legislation, when passed by the Legislature, is implemented in a manner that allows residential condominium owners in Ontario to receive the rebate. In that regard, we have enclosed a recommendation as to how the Bill can be best implemented in the condominium sector.

ACMO has been discussing the implementation issue with your staff and appreciate their engagement with us. In the meantime, we would be pleased to continue working with you, your staff and Ministry officials in implementing Bill 13, and more particularly in the condominium sector.

Yours truly,

Dean F. McCabe, RCM, ACCI, AIHM
Member of the Board of Directors and Government Relations Chair
