Hi Martin,

No concerns with sharing the draft amending direction with MOECC. In discussion with Kaili and Usman, the MO had previously floated the idea of incorporating the amendment to the same direction to enable the shared savings model that was chosen for the affordability fund. Not that this would need to be shared with MOECC but wondering the status of this concept of amending the same direction for the affordability fund?

Thanks,
Trevor

Hi Andrew,

See attached an updated draft of the "2015-2020 CFF and Partnering with GOF" direction amendments with your edits from the weekend incorporated.

Subject to further feedback, the next steps would be to share the draft with MOECC and review the draft against the draft MOECC-IESO Collaboration Agreement to ensure that direction and agreement and aligned.

Please let us know if we should proceed with sharing.

Thanks,
Martin
