Hi David,

Attached is a note on the Affordability Fund. Let me know if you have any questions, or any more information about when this meeting might occur.

Thanks,

From my understanding, only MO

One more question! Are any officials from MCSS attending, or only MO?

That's correct (MCSS MO, that is).

And yes of course, Tuesday is great!

Thanks, David. To confirm, MCSS will be meeting with the Affordability Fund Trustees?

Given that Monday is LTEP sign-off day and a firm date for the meeting hasn't been set up yet, is it possible to provide a note for Tuesday?

Hey Alexa,

Thank you again for sending along this product! We just got off the phone with the MCSS MO, and they let us know they will be meeting with the leadership of the Affordability Fund in the near future (no firm date set yet) to discuss program coordination. The MCSS MO doesn't have much background on the Fund, and asked if we could provide some in support.

Can I request a backgrounder/meeting note that could be shared with MCSS for their meeting? Just a basic background and update on the current status would be perfect.

If possible, Monday EOD would be helpful.

Thanks,
David
