Hey Alex – this is the deck I've been using to brief Cabinet. It is not the full Cab sub but a shorter brief on the specifics of the legislation.

I'm happy to come brief your Minister whenever it works for him.

Let me know.

Thanks,
Matt

Hi Alex,

Matt's been briefing TB members - he should be able to help you out.

Hey team,

Can you please share materials? We want to ensure our minister is briefed ahead of CAB.

We'll be sure to circle back if he has any feedback/ concerns
