Great! Please go ahead with it, including a couple of minor edits. Can we ensure it's appropriate to put miigweech at the end?

James,

Staff have no concerns with the language if it went out under the Minister's name. They just need his photo and electronic signature which I'm sure Comms has ready.

Let me know if we can go ahead.

Hi James/Meaghan,

Attached is the opening welcoming message for the ACEP booklet, from Carolyn to all attendees. This will be printed on the first page of the booklet.

Ministry/Comms is on a super tight printing deadline for this so appreciate any comments this morning.

Hi,

Attached is the final English version of the Indigenous policy booklet to be handed out at the ACEP symposium (will also be offered in French). No changes in the language from previous unformatted version provided.

Staff need to send this to the printers by tomorrow morning to make sure we get it ready on time

Please let me know if there are any concerns.
