A few copy edits, but nothing substantial from me. Agreed with the recommendation to take out the highlighted paragraph.

Subject: For MO policy review | LTEP brochure (by EOD or earlier please)

Hi team,

Attached is the copy for the LTEP brochure. I've made some changes and also highlighted a section that I feel should be removed, but happy to hear any arguments for its inclusion.

Let me know if you have any feedback. The only thing missing in my mind is OEB RPP pricing pilots, so I'll ask ministry to include. If you could make time to review by end of day today, it would be much appreciated. Sorry for the truncated timeline!

Thanks,
James
