Hey Matt,

I completely understand. How about Thursday at 3:30? Would that work?

Hi Cristina

Sorry! Have been underwater with LTEP stuff the last two weeks.

Happy to chat. I don't know off the top of the head how 211 and the Affordability fund will work together but I can ask for some paper.

Tomorrow or Thursday afternoon are both good for me.

Thanks,
Matt

Hi both

I hope you are well. I've had 211 as well as the Ontario Affordability Trust Fund reach out to me also one of my ADMs was reached out to by an ENE ADM so I wanted to connect with both of you to get a better understanding of the role of the trust and to chat about what their role would be with 211 and get a better sense of how to move forward that proposal?

Do you guys have a few minutes to chat?

Thanks
